The Military Chaplain

The School of Executive Diploma Programs

The **CAPSTONE Executive Diploma Program in Military Chaplaincy** is a specialized program designed for individuals looking to deepen their expertise and effectiveness in serving the unique spiritual and emotional needs of military personnel. This comprehensive curriculum encompasses Human Development, Spiritual and Pastoral Counseling for Individuals, Mental Illness, Spirituality, Psychodynamic Psychotherapy, and Spiritually Integrated Psychotherapy. Aimed at enhancing the capabilities of Military Chaplains, this diploma broadens their understanding and approaches to care, equipping them with advanced skills to support the well-being of service members through a refined lens of psychological and spiritual insight. Additionally, the diploma provides a pathway for further specialization by being transferable to the Clinical Pastoral Psychotherapy Program, enabling graduates to pursue even more advanced clinical pastoral education and psychotherapy training tailored to the military context.
